## Secondary Investment Fund – Music R4 (September 2017-July 2018) Agreement

By signing this document you agree to undertake the following:

- To ensure that the fund, along with the schools' match fund is invested in music based activities as outlined in the application form;
- to provide a point of contact and to maintain consistent and regular communication with Resonate throughout the duration of the project;
- to submit data as requested by Resonate (relating to this project and other music activities that take place in your school);
- to complete the *Music in Schools' Self Evaluation* questionnaire demonstrating the impact of the investment and how this contributes to music in their school;
- to quality assure any work that is not delivered by Resonate staff (Resonate will quality assure any provision delivered by our staff);
- to use the Resonate logo on all associated correspondence and publicity in relation to this project and to acknowledge your Resonate grant funding verbally or in writing in any press release, interview, public statement or event speech that is related to this project;
- to submit evidence from your project to be used by Resonate, where appropriate, as case studies of practice;
- to engage in any networking/training opportunities hosted by Resonate;
- to agree to signpost students, where appropriate, to Resonate Music Studios activities.
