

# Resonate Youth Philharmonic

Are you, or is someone you know, looking for an opportunity to play orchestral music with like-minded young musicians?

Would you like the chance to learn from **Royal Liverpool Philharmonic musicians** to build on your instrumental and orchestral technique and ensemble skills, and play music in a range of musical styles?

Would you like to take part in **exciting performances** every term, and at least once a year in Liverpool Philharmonic Hall?

If you answered yes to any of the above, contact us for more information about our brand new weekly orchestra, **Resonate Youth Philharmonic**, for children and young people learning an orchestral string, woodwind, brass or percussion instrument and playing at Grade 2-6 standard.

**Rehearsals** are Tuesday evenings (4.15pm – 6.30pm) at Bellerive FCJ Catholic College, or Thursday evenings (4.15pm – 6.30pm) at Notre Dame Catholic College.

For more information, and to join, contact Resonate Music Hub on **0151 330 5130** or visit **[www.resonatehub.co.uk](http://www.resonatehub.co.uk)**
